MEMORANDUM FOR: Mr. William E. Colby

SUBJECT : Quotas for Senior Officer Schools

1. The Training Selection Board has asked the Deputy Directors for their nominations to the senior officer schools for the 1974-75 academic year. The Board plans to meet in early August to select nominees for your approval.

2. Last year, you will recall, the Director wished to retain the current level of our participation at the National War College (4), the Department of State's Senior Seminar in Foreign Policy (2) and at the Royal College of Defence Studies (1). He also concurred in your recommendation that representation at other senior schools be reduced substantially and directed that the Board select only one officer for the Naval War College, Air War College and Armed Forces Staff College (for each of two sessions). In the interest of CIA's relationships with the Navy, it was later agreed to slow the quota reduction at the Naval War College to two for the 1973-74 year. *Army:*

3. I am anxious to know of any further thoughts you have about reduced quotas and if, in the case of the Naval War College, we should now cut back to one representative. I would appreciate your guidance so I can prepare accordingly for the August meeting.
